

ELEGANCE IN FIRE DEFENCE

FROM **COMMANDER**

ELEGANCE, AND FIRE DEFENCE.

NOT A COMMON ASSOCIATION, BUT WE
HAVE NEVER BELIEVED THAT THE TWO
SHOULD BE MUTUALLY EXCLUSIVE.

INTRODUCING THE
NEW **CONTEMPO** RANGE,
FROM COMMANDER.

POLISHED GOLD

Synonymous with the ultimate in luxury, polished gold extinguishers don't just blend into their surroundings - they look part of it. Whether you are fitting out a stately home, palace or a castle, these extinguishers are a perfect solution.

Not to be confused with some retro-fit wrap on a standard extinguisher, these are electro plated to give a stunning mirror finish.

And with the matching polished gold tubular stands and ID signs, this range is truly Elegance in Fire Defence.

RANGE AVAILABLE

WSEX6PG	6ltr Water Polished Gold
FSEX6PG	6ltr Foam Polished Gold
FSEX6MCPG	6ltr MultiChem Polished Gold
COEX2PG	CO2 Polished Gold
DPEX6PG	6kg Powder Polished Gold

Why should the balance of beautifully designed interior spaces be diminished with generic red cans and bulky plastic stands?

STAINLESS STEEL

With a superb highly polished finish, the Commander® Stainless Steel and Polished extinguishers are perfect for interiors where appearance is important. Stainless steel handles

- now standard across this range
- complement the polished bodies perfectly.

RANGE AVAILABLE

WSEX6SS	6ltr Water Stainless Steel
WSEX9SS	9ltr Water Stainless Steel
FSEX6SS	6ltr Foam Stainless Steel
FSEX9SS	9ltr Foam Stainless Steel
FSEX6EMCSS	6ltr MultiChem Stainless Steel
COEX2P	2kg CO2 Polished Chrome
COEX5P	5kg CO2 Polished Chrome
DPEX6SS	6kg Powder Stainless Steel
DPEX9SS	9kg Powder Stainless Steel

What if compliance meant not just complementing, but enhancing your space?

SOMETHING NEW

Forget those ugly red cans hung on the wall, or worse still - on big ugly red plastic stands.

This is something new. This combines fire safety with the most exquisite hand-finished architectural finishes. This means you don't have to spoil your carefully-crafted interior design with mandatory fire equipment.

This is Contempo by Commander®

BRUSHED ANTIQUE COPPER

Truly an industry-first, these exquisite cans have been hand-finished. Each one is unique in its beauty.

Perfect for modern bars and restaurants, luxury hotels and contemporary commercial interiors, this is fire safety equipment you actually want on show!

And with the matching brushed antique copper tubular stands and ID signs, this range is truly Elegance in Fire Defence.

RANGE AVAILABLE

WSEX6AC	6ltr Water Antique Copper
FSEX6AC	6ltr Foam Antique Copper
FSEX6MCAC	6ltr MultiChem Antique Copper
COEX2AC	CO2 Polished Antique Copper
DPEX6AC	6kg Powder Antique Copper

We are proud to present the new CONTEMPO range of fire extinguishers;

highly effective, elegantly refined, and available in Polished Gold, Polished Stainless Steel and Antique Copper.
